**Meet our speaker:** Dr. Tom L. Evans has served as CEO of Child Impact International since 2021. Tom and his wife Mara (originally from Brazil) have pursued a lifelong calling to positively impact the lives of children. They have been involved in child sponsorship, hosting exchange students, mission trips, respite care, orphan hosting, and adopted two boys from Latvia (near the Russia border). They are currently pursuing the adoption of two girls from an orphanage in Bulgaria. Tom and Mara believe they are placed on earth to make a difference and feel compelled to save one more!

**Sponsor a Child:** Children available for sponsorship through Child Impact International are being featured in the foyer today. You can provide the gift of education and help break the cycle of generational poverty. Most importantly, these children will be introduced to Jesus. Some individuals choose to sponsor more than one child...perhaps you have always dreamed of having 10 children? Now is your opportunity!

**THIS AFTERNOON at 2:30 p.m.** (immediately following the fellowship meal), Dr. Tom Evans will discuss Child Impact's secret project. This rescue mission is not featured in any written publication and cannot be recorded on video. Additionally, he will share more exciting stories of rescues \* The Impact of ONE \* and answer your questions.
